PAPILLON

[ANNA PHOEBE & NICOLAS RIZZI]

Papillon (Anna Phoebe and Nicolas Rizzi) is an acoustic violin guitar duo influenced by Eastern melodies set within cinematic soundscapes.

Anna Phoebe has performed throughout the world with various artists (Jethro Tull, Roxy Music, Trans Siberian Orchestra) and is now carving a career with her own projects.

Papillon will perform their new material in a series of live concerts in 2016 and 2017, with the release of their debut album later this year.
